

J.D. STRACHAN CONSTRUCTION LIMITED

General Contractors & Construction Managers
2220 King Road Unit #5
KING CITY
Ontario L7B 1L3

Attention: Mr. Don Hutchinson, GSC
Vice President

Dear Sir,

Re: Etobicoke Yacht Club Roof Completion Project.

The recently completed roofline of the Etobicoke Yacht Club (EYC) Clubhouse gives the building a whole new appeal and a finished appearance. In general, the majority of the membership appreciates this improvement to the building, and especially one long-time Senior member and EYC benefactor, Mr. Paul Wolf.

On behalf of the Commodore and Officers and the Roof Completion Committee of Etobicoke Yacht Club, I thank J.D. Strachan Construction Ltd., and their subcontractors, for your efforts and perseverance, throughout some difficult moments, in helping Etobicoke Yacht Club to carry out our "Roof Completion Project". Your company's work has provided EYC with a Clubhouse improvement of which we are proud. We also appreciate the excellent co-operation shown by J.D. Strachan Construction Ltd. with our Consultants, Anthony Kemp *Architects Inc.* and their associates.

We wish to mention that two of your key personnel involved in this project, namely Mr. Silvio Naccarato and Mr. Stewart Looyenga have shown, in our opinion, very great efforts in making sure that work progressed as smoothly as possible, and in coordinating the roles of the subcontractors working with your company on the project. They deserve special commendation for the performance of their work responsibilities.

Yours truly,

Gary Barnett Director, Facilities-Land

cc. Velma Jones, Commodore
EYC Directors

Hans Nita,	Director	(Roof Completion Committee)
Stanley Cooper	P. Eng.	(Roof Completion Committee)
John Warwick	P. Eng.	(Roof Completion Committee)
